

A natural success

South Arm Twp.: Volunteers and members of Northern Michigan's two land conservancies celebrate the success of the Lake St. Clair-Six Mile Lake natural area committee. The group recently acquired 17 acres of wetland and 2,000 feet of Lake St. Clair shoreline, with the cooperation of the Little Traverse Conser-

vancy and the Grand Traverse Regional Land Conservancy. Standing on the shore of the river are (from left) Harold Shirey, Cherie Hogan, Heidi Dexter, Ron Tschudy, JoAnne Beemon and her daughter, Helen, Glen Chown and Phil Ohmer. (NEWS-REVIEW photo by Lisa Babcock)
