

Estimated Budget for 2013: All budgets are comprised using the unit costs per acre listed above and estimated acres based on previous knowledge of the lake. All treatments will only be performed as approved and within the scope/budget of the program. It is extremely difficult to predict how many acres will require service a year in advance, therefore the below budget is organized to include fluctuations based on spread and growth.

	Minimum	Expected	Maximum
Permit:	\$ 849.15	\$ 849.15	\$ 849.15
Algae Control:	\$ 000.00	\$ 000.00	\$ 2,830.50
Weed Control (EWM/VLM):	\$21,211.77	\$24,042.27	\$32,106.36
Management Services:			
AVAS Surveys (1/year):	\$ 583.08	\$ 583.08	\$ 583.08
Total South Arm Township:	\$22,644.00	\$25,474.50	\$33,538.59
<i>South Arm Total (56.61% of overall district)</i>			

Please look for information regarding treatments in 2015, next spring.

Please forward a permit fee check, payable to PLM for \$849.15 for the 2015 permit application.
